

PROJECT INDRA: INFRASTRUCTURE UPDATE

Project Name: Indra Tier-4 Data Center Deployment

Location: Magarpatta City, Pune.

Lead Manager: Rohan Mehta (r.mehta@indra-infra.com)

Current Status: OVER BUDGET

Summary:

While the structural build is 100% complete, cooling system costs have spiked due to local electricity tariff changes in Pune.

Estimated Budget: ■12,00,00,000

Actual Spend to Date: ■13,50,00,000

Status:

Operational but awaiting final safety certification.

Nudge Trigger:

If status is 'Over Budget', notify Rohan Mehta immediately to schedule a board review.
